Right to Delete

You have the right to request deletion of your personal information that we collected from you and retained, though exceptions under the CCPA may allow us to retain and use personal information notwithstanding your deletion request. For example, we may retain personal information (i) as permitted by law, such as for tax or other record keeping purposes. Once we receive and confirm your verifiable consumer request (see *Exercising Your Rights below*), we will delete (and direct our service providers to delete) your personal information from our records, unless an exception applies.

your request or provide you with personal information if we cannot verify your identity or authority to make the request. Making a verifiable consumer request does not require you to register with us. We will only use personal information provided in a verifiable consumer request to verify the requestor's identity or authority to make the request.

You can designate an authorized agent to submit requests on your behalf. However, we will require written proof of the agent's permission to do so and verify your identity directly.

Do Not Sell My Information

CCPA provides that California residents may opt out of the sale of their personal information. We have not sold your personal information in the preceding twelve (12) months. We do not have any future plans to sell your personal information, however, we respect and understand that you may still want to ensure that your personal information is not sold. If you would exercise your right, please email us at privacy@platinumequity.com and indicate in your email that you are making a "Do Not Sell My Information" inquiry. Please note that we will only use personal information provided in an opt-out request to review or comply with the request, and to comply with applicable law.

Response Timing and Format

We will aim to respond to a verifiable consumer request within forty-five (45) days of its receipt. If we require more time (up to 90 days), we will inform you of the reason and extension period in writing.

Any disclosures we provide will only cover the twelve (12) month period preceding receipt of the verifiable consumer request. The response we provide will also explain the reasons we cannot comply with a request, if applicable. For data portability requests, we will select a format to provide your personal information that is readily useable and should allow you to transmit the information from one entity to another entity without hindrance.

We do not charge a fee to process or respond to your verifiable consumer request unless it is excessive, repetitive, or manifestly unfounded. If we determine that the request warrants a fee, we will tell you why we made that decision and provide you with a cost estimate before completing your request.

Non-Discrimination

We will not discriminate against you for exercising any of your CCPA rights. Unless permitted by the CCPA, we will not: (i) deny you goods or services, (ii) charge you different prices or rates for goods or services, including through granting discounts or other benefits, or imposing penalties, (iii) provide you a different level or quality of goods or services, (iv) or suggest that you may receive a different price or rate for goods or services or a different level or quality of goods or services.
